Period 2 – Geometry

Entry Task (7 Minutes)

Take out your vocabulary log, then begin working on lesson 8 opening exercise on pg. 44

Activity 1 (20 minutes)

Work on Lesson 7 Exit Task as an example of what a quiz may be like. You may work with others if you are working productively.

Activity 2 (remainder of class)

For each of the words on your vocabulary log, find at least one example for each vocabulary word. Drawing a clear picture of the problem and a reason for why that demonstrates the property will increase your likelihood of understanding. (See example)
