

# FINALS WEEK

ALGEBRA & GEOMETRY

The background is a gradient of blue and teal, featuring faint, light-colored geometric patterns. On the left side, there is a large circular scale with tick marks and numbers ranging from 150 to 260. Several dashed and solid circles with arrows are scattered across the background, suggesting motion or rotation.

JANUARY 25, 2016

GEOMETRY

# ENTRY TASK

- Use the bathroom NOW!
- Take out your NOTES for the exam.
- Get your calculator, pencil and eraser NOW!
- Mr. Germanis has the right to move you to any seat.

# PREPARE FOR EXAM

- Backpack on the floor - only your notecard and vocabulary log.
- Cell phone (and music devices) away.
- Obtain any notes, calculators or tools you may need NOW.
- While YOU are taking the exam, you may NOT use the restroom.
- Voices off – even when you are done.

# WHEN YOU ARE DONE

You may:

- Check your answers (twice)!
- Quietly use the restroom.
- Complete any homework for your classes.
- Take a missed test or quiz (if needed).
- Read a book (or other quiet activity).

The background is a gradient of teal and blue, featuring faint, light-colored geometric patterns. On the left side, there is a large circular scale with tick marks and numbers ranging from 150 to 260. Other elements include dashed circles, solid circles, and curved arrows, suggesting a theme of geometry or mathematics.

JANUARY 27, 2016

GEOMETRY

# ENTRY TASK

- Take out a piece of paper and write your full name.
- You will be writing on a short prompt based on the film.

# ENTRY TASK

- Respond to each in about 100 words:
  - Describe some morals or themes that were in the film.
  - Describe what you learned about perseverance (never giving up) from the students or Mr. Escalante.
